

Enrichment Program Site Leader

- *Reports to the Program Director*
- *Full time, seasonal, hourly position (\$14.00 per hour)*
- *Monday through Thursday 8ish to 6ish*
- *Responsible to execute programs created by the Program Director for the Summer Enrichment Program.*

The After School and Summer Enrichment Program is a state-licensed day care for elementary school aged children that is designed to increase physical and outdoor activity, expose participants to healthy ideas, and build personal skills and confidence.

Qualifications

- Previous experience working with elementary school-aged children in an organized setting.
- First Aid & CPR Certified (may obtain upon hire)
- Valid CO Driver's License
- Pass civil and criminal background checks
- Other certifications as require by state licensure
- Willingness to work as a substitute during the Program Manager's absence.

Duties

Program Implementation:

- Understand Voyager's mission, and implement the program accordingly;
- Show up to site on time, fully prepared, and appropriately dressed to work with children;
- Cultivate positive, nurturing relationships with program participants;
- Adhere to disciplinary, transition, and communication protocols that align with best practices and that ensure that all participants can experience success in the program.
- Understand and adhere to child care rules that apply to the program.
